

# Yealink CM-MountKIT Datasheet

## Introduction

Introducing the CM20 Mount Kit, expanding your CM20 deployment options with suspension rope, on-ceiling mount, and length-adjustable pole.

Effortlessly adjust height with suspension pole for precise positioning in any-sized room. Mount your CM20 on the ceiling with on-ceiling mount for superior audio coverage. For temporary setups, utilize suspension ropes for quick and easy adjustments.

## Specification

| Parameter        | Description                                                                                                                                                                                                                                                            |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Physical Feature | <ul style="list-style-type: none"><li>• Length-Adjustable Pole: 350mm(up to 614mm)*67mm*67mm</li><li>• On-ceiling Mount: 67mm*67mm*38mm</li><li>• Suspension Rope: 3m</li><li>• Carton Meas: 435*242*415mm</li><li>• N.W/CTN: 4.7kg</li><li>• G.W/CTN: 5.3kg</li></ul> |

## Device Compatibility

For more information about mounts compatibility lists, refer to [Mounts Compatibility Lists](#).

# How to Use

Please refer to CM20 [Deployment and Connection](#).
