

# UVC30-CP900-BYOD Datasheet

## UVC30-CP900-BYOD Meeting Kit for Small and Huddle Rooms

Yealink UVC30-CP900-BYOD meeting kit is dedicated to your small and huddle rooms, ensuring an excellent video and audio experience at a lower cost. Maximizing the user experience via one cable, this meeting kit is not only plug-and-play but also makes you feel free to have all kinds of UC meetings, including Teams, Skype for Business, Zoom, etc. Meanwhile, being capable of charging a laptop via Type-C cable entirely assures the endurance of your own laptop.

## Key Features and Benefits

### All-in-One Design, Plug and Play

Integrate audio, video, and HDMI output together into one Type-C cable. Whoever walks into the room simply connects one cable to your laptop, and no extra driver installation is required.

### Long Endurance

Capable of charging laptops via Type-C cable, users can take a long meeting even without their own power adapters.

### Cost-effective

Reasonable price for audio and video conference and collaboration, especially suitable for an enterprise with lots of huddle rooms.

## Simple Deployment

Simplify your deployment so that you only need to connect video and audio devices to the BYOD box, dramatically reducing your deployment time.

## Specification

Parameter	Description
Yealink UVC30 Room USB Camera	<ul style="list-style-type: none"><li>• 4K video resolution</li><li>• Maximum 30FPS</li><li>• 3 x digital zoom</li><li>• Field of view (diagonal): 120°</li><li>• Facial detection and auto-framing</li><li>• 1 x 3m USB 2.0 cable</li></ul>
Yealink CP900 HD Speakerphone	<ul style="list-style-type: none"><li>• Optima HD voice</li><li>• Built-in 6 MEMS microphone arrays</li><li>• Signal to Noise Ratio (SNR): +59 dB</li><li>• 6.5 feet / 2 meters voice pickup range</li><li>• Full-duplex technology</li><li>• Noise suppression (NS)</li><li>• Digital Signal Processing (DSP)</li><li>• Acoustic echo cancellation (AEC)</li><li>• Root Mean Square (RMS): 3W</li></ul>
Yealink BYOD Box	<ul style="list-style-type: none"><li>• 1x 1.5 m Type-C cable for video &amp; audio and power supply</li><li>• 2x USB3.0 Type-A input</li><li>• 1x HDMI output</li><li>• 1x Type-C port for power adapter</li><li>• 1x 1.2m power cable</li><li>• PD Power adapter</li></ul>
